PRELIMINARY AMENDMENT

Assistant Director for Patents
Washington, D.C. 20231

Dear Assistant Director:

Kindly enter the following amendment in the above named application for United States

Letters Patent:

In the Claims

Please amend claims 1, 5, 8 and 10 as follows:

1. (Amended)

A thin film negative temperature coefficient thermistor having a physical size comprising a thin film resistive element of a deposited mixture of metal oxide film, the thin film resistive element having a negative temperature coefficient, and the mixture being selected to provide the physical size.

CERTIFICATE OF MAILING (37 C.F.R. § 1.8(a))

I hereby certify that this document and the documents referred to as enclosed therein are being deposited with the United States Postal Service as First Class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231, on this 6th day of January, 2002.
